Special Vacations – Special Prices

Short Stay Vacations Still Available - 2-Night & 3-Night Vacations

The short stay vacations are still available; however, the prices and Booking deposits were slightly amended to reflect increased destination costs.

Companion Photos

I am busy updating the companion galleries. I routinely pass photos of the new companions to guests during initial email contact

Payments Method

Periastron has signed an agreement with a Florida vacation real estate advisory company to collect our booking deposits. The reason I am restating our payments agreement is that one of the two payments processors we previously used has been hit with a half a billion-dollar fraud.

My anything for a client philosophy is starting the add costs to the package delivery. Some guests prefer to pay the entire cost of the vacation in lieu of the booking deposit. This adds bank transfer costs to the vacation delivery as it disrupts our balance of payments. I prefer that guests simply pay the booking deposit when asked. However, I will continue to accept payments in full when requested by a guest.

No Tipping Policy

Our no tipping policy applies **only** to the **companions**.

If my hotel staff have done a good job as I am sure they will, please consider the usual gratuity for persons employed in the hospitality industry in the Caribbean.
