Toll Free Number Changed

The new Toll Free Number is (888) 694-9256. I was getting a lot of abuse at my expense, and finally had enough. Guests, New and Old, may use the number at their discretion.

Our Reopening

We reopen August 1, 2020 and the girls are excited to new guests and out returning special guests. Entry to RD is very easy. However, we suggest that each guest ensure that they are COVID-19 free before travelling. This may mean a COVID test. Things seem to be opening up somewhat. POTUS seems to have pulled things started by the previous administration together.

COVID-19 Recognition – IMPORTANT Update

Countries are changing tactics designed to minimize COVID-19 cases. Potential Guests should exercise judgement when considering travelling. I do suggest a complete vaccination series and a COVID test prior to travel. We ensure that we are following all recommended COVID mitigation regulations.

Vacation Business

We still have volume issues however the guests that do travel have a good time. Most plan repeat trips at a time when their financial resources permit.

No Tipping Policy

Our no tipping policy applies **only** to the **companions**.

If hotel staff of any of our hotels have done a good job as I am sure they will, please consider the usual gratuity for persons employed in the hospitality industry in the Caribbean.
