### Special Vacations – Special Prices

#### Web Site Activity

A few guests have contacted me (Email & Phone) thanking me for making it obvious that the website is active and there really is someone behind it who is alive and well. Apparently, other sites do not make it obvious. Yes, we are alive, well, and willing to help our guests have a great time.

#### Short Stay - 2-Night & 3-Night Vacations

Recently the US Government has made it at least very difficult for adult entertainers to advertise and therefore difficult for folks seeking some companionship to locate an entertainer. I have decided to help by adding a 2-Night and 3-Night vacation packages. These packages were not available before this change. The sale is successful I will add the prices to my list of available vacations.

The Dominican Republic requires that airlines include the Tourist Card (\$10US) in the price of the airfare. All vacations are ALL-INCLUSIVE.

The special prices on our short stay vacations are a big hit with potential guests. Although quite a few guests choose a longer vacation.

The short vacation prices are straight up, however many guests choose longer vacations. The tendency for longer vacations is why I never offered them in the first place. However, I wanted to give some potential guests an less expensive vacation option.

#### Our Companions – A Romantic Experience

Our companions are not what you would call professionals. The companions are girls who like sex and enjoy meeting new people. Especially gentlemen who are fun loving and know how to treat a lady respectfully. Over the years, I have had upwards of 14 guests inquire about how start the procedure to marry the girl they were with on our vacation. I do not like to lose good companions this way, however, I also know how to treat a companion respectfully and let nature take its course. Some of our companions are more experimental in bed and other companions are more conservative. If she is having fun, your fun will follow.

## Payments Method

Periastron has signed an agreement with a Florida vacation real estate advisory company to collect our booking deposits. The reason I am restating our payments agreement is that one of the two payments processors we previously used has been hit with a half a billion-dollar fraud. The fact is that their feeble attempts to protect their clients were often fatal to our legitimate attempt to conduct business. In short, if you can pay any vendor online, you can remit our deposit. Before we request any payment, we must have vacation dates, verified flights, and companion(s) selected and availability verified. Once paid a Booking Deposit is **not refundable**. However if a guest is straight up with me I will work something. I am simply asking is for a guest to notify me in advance about the need to postpone the vacation and I will apply to deposit to a subsequently scheduled vacation. Losing nothing is best I can do for a guest.

## Doing Business

I just finished an exercise designed to help me understand the escort booking process. In my view, it is much easier to book a vacation than find an escort in any city in the US. I found the information was at best misleading. My website has several pages of explanation. If anyone finds any part of my website that is misleading or confusing please let me know I will fix it.

BTW, when I learned that persons with **dyslexia** find text that is left and right hand justified difficult to read, I started with left justifications only.

I operate discretely. A guest and his companion meet at the hotel. Many tourists have girl friends in the Dominican Republic, so it is normal to see a visitor meet his companion this way. There is no line-up or unattached females in the hotel. I use a bone fide corporation to collect my booking deposits and some times full payments. It is difficult for potential guests to use services like MoneyGram or Western Union. The fact it is the sender is hassled a great deal. A real vendor would be better prepared to do business. Repeat guests aka Special Guests may travel on very short notice, as no booking deposit is required. The fact these guests prefer to pay in full in advance. The reason for the booking deposit is to help insure that a guest with a reservation actually travels. I am in the business of providing vacations. Collecting deposits is simply a means to that business objective. The Policia Nacional are our friends and we treat them that way.

## No Tipping Policy

Our no tipping policy applies **only** to the **companions**.

**If my hotel staff have done a good job as I am sure they will, please consider the usual gratuity for persons employed in the hospitality industry in the Caribbean.**
