Special Vacations – Special Prices

Short Stay - 2-Night & 3-Night Vacations

Recently the US Government have made it at least very difficult for adult entertainers to advertise and therefore difficult for folks seeking some companionship to locate an entertainer. I have decided to help by adding a 2-Night and 3-Night vacation packages. These packages were not available before this change. If the sale is successful, I will consider adding them to my list of available vacations.

The Dominican Republic requires that airlines include the Tourist Card (\$10US) in the price of the airfare. All vacations are ALL-INCLUSIVE.

The special prices on our short stay vacations are a big hit with potential guests. Although quite a few guests choose a longer vacation.

The short vacation prices are straight up, however many guests choose longer vacations. The tendency for longer vacations is why I never offered them in the first place. However, I wanted to give some potential guest a inexpensive vacation option.

Craigslist, Backpage and Cracker

It appears that a US entertainer could advertise in NowToronto or BedPage.

Our Companions – A Romantic Experience

Our companions are not what you would call professionals. The companions are girls who like sex and enjoy meeting new people. Especially gentlemen who are fun loving and know how to treat a lady respectfully. Over the years, I have had upwards of 14 guests inquire about how start the procedure to marry the girl they were with on our vacation. I do not like to lose good companions this way, however, I also know how to treat a companion respectfully and let nature take its course. Some of our companions are more experimental in bed and other companions are more conservative. If she is having fun, your fun will follow.

Payments Method

Periastron has signed an agreement with a Florida vacation real estate advisory company to collect our booking deposits. The reason I am restating our payments agreement is that one of the two payments processors we previously used has been hit with a half a billion-dollar fraud. The fact is that their feeble attempts to protect their clients were often fatal to our legitimate attempt to conduct business. In short, if you can pay any vendor online, you can remit our deposit. Before we request any payment, we must have vacation dates, verified flights, and companion(s) selected and availability verified. Once paid a Booking Deposit is **not refundable**. However if a guest is straight up with me I will work something. I am simply asking is for a guest to notify me in advance about the need to postpone the vacation and I will apply to deposit to a subsequently scheduled vacation. Losing nothing is best I can do for a guest.

Data Protection Policy

There is a lot of concern these about web user privacy. We need very little identifiable information. We do need the name on your airline ticket that must be the same as the passport name in order to board a flight. This is so we can get airline assistance in locating a guest at the airport. We have successfully met up with a guest that not only failed to arrive on a stated flight, but also flew on a different airline. Our goal is to provide vacations. To do that we need guests. The booking deposit is just a means to ensure a guest travels as planned.

No Tipping Policy

Our no tipping policy applies only to the companions. If my hotel staff have done a good job as I am sure they will, please consider the usual gratuity for persons employed in the hospitality industry.
