Necessary change to booking/payment policy

Effective immediately any change to our booking procedure that incurs unnecessary expenses will result in an extra charge to partially compensate us for that expense. A simple desire to pay all monies at the time of booking will result in extra expenses, however, may not result in a fee. A refusal to follow booking procedure may result in a refusal to provide any services, or a request for payment in full and an additional fee at my sole discretion.

Since 1992 we have not failed to provide a vacation to paying guest. In addition, we go out of my way to assist a guest with any reasonable endeavour.

Companion Photos

I am busy updating the companion galleries. I routinely pass photos of the new companions to guests during initial email contact

Optional Hotels

We are negotiating with some area hotels for vacation pricing. If you prefer an alternate hotel, please inquire during our vacation conversations.

No Tipping Policy

Our no tipping policy applies **only** to the **companions**.

If hotel staff have done a good job as I am sure they will, please consider the usual gratuity for persons employed in the hospitality industry in the Caribbean.

Carlos
