

November 2021 Newsletter

Toll Free Number Changed

The new Toll Free Number is (888) 694-9256. I was getting a lot of abuse at my expense, and finally had enough. Guests, New and Old, may use the number at their sole discretion.

The unstated purpose of the Monthly News is to give new potential guests impression that the web site is active and we are alive and well. COVID has forced us to arrange our affairs in a way that survives a wide variation in traveller interest. We can and will provide the vacation you desire.

Guests are Travelling

We reopened August 1, 2020 and the girls are excited to see new guests and our returning special guests. Business has slowed somewhat. The slow down is likely due to political tensions in the US. We have even had post COVID-19 repeat guests. We strongly urge everyone to get COVID vaccinations. This is not a political statement. You must be vaccinated in order to travel. There are not many of us that remember POLIO. I was vaccinated, as soon as Polio vaccines were made available. I hope the travel conditions return to normal soon

COVID-19 Recognition – IMPORTANT Update

Guests in need of a COVID-19 test in order to repatriate themselves to their home country can relax somewhat. The hotel has direct relationship with a certified lab in Santo Domingo City. The hotel gathers the sample and sends to the lab. The cost is \$100US. In addition, there is a less expensive test solution available at the SDQ airport. It takes 45 minutes.

No Tipping Policy

Our no tipping policy applies **only** to the **companions**.

If hotel staff of any of our hotels have done a good job as I am sure they will, please consider the usual gratuity for persons employed in the hospitality industry in the Caribbean.
